

# Pressed-Herb Clay Ornaments

Simple clay ornaments with beautiful botanical impressions.

## Supplies

- Homemade clay dough
- Fresh or dried herbs such as rosemary, thyme, sage, lavender, or parsley
- Cookie cutters
- Rolling pin
- Straw or skewer
- Acrylic paint, optional
- Matte Mod Podge
- Ribbon or twine

## Directions

Roll the clay about ¼ inch thick. Cut into shapes and gently press herbs into the surface to create botanical impressions. Make a hanging hole, then bake according to the clay recipe. Cool completely, paint if desired, and seal with a thin layer of Mod Podge. Add ribbon or twine.
