# Cranberry Cedar Winter Coasters

Festive winter coasters filled with rich holiday textures and evergreen beauty.

Handmade  
with  
Love &  
Nature

## SUPPLIES:

- ♥ Clear resin (coaster mold kit or epoxy resin)
- ♥ Cedar sprigs (fresh or dried)
- ♥ Dried cranberries
- ♥ Pine needles
- ♥ Fine silver glitter
- ♥ Mixing cups & stir sticks
- ♥ Tweezers (optional)
- ♥ Gloves & resin-safe workspace
- ♥ Round coaster molds

## INSTRUCTIONS:

- 1 Prepare:** Gather all supplies and work on a level surface. Protect your workspace and wear gloves.
- 2 Arrange Cedar:** Place cedar sprigs around the outer edge of the mold, curving them to follow the circle.
- 3 Add Cranberries:** Place small dried cranberries in the center area for a pop of holiday color.
- 4 Add Pine Needles:** Tuck pine needles between the cedar sprigs to create fullness and texture.
- 5 Add Glitter:** Sprinkle lightly with fine silver glitter for a snowy sparkle.
- 6 Pour & Cure:** Slowly pour resin into the mold, covering all elements. Use a heat tool or straw to remove bubbles. Let cure fully as directed by resin instructions.
