

Herbal Clay Wall Medallions

Handmade clay wall medallions with botanical impressions that add a natural, rustic touch to your décor.

Supplies

- Clay dough
- Herb sprigs or leaves
- Round cutter
- Skewer
- Acrylic paint
- Mod Podge
- Ribbon

Directions

- 1 Cut the clay into circles and press herbs firmly into the surface.
- 2 Add a hanging hole and bake until lightly golden.
- 3 Once cool, highlight the botanical impressions with paint and seal with Mod Podge.
- 4 Hang individually or group several together as wall décor.

Craft Note

Mod Podge projects are decorative only. Keep them away from food-contact surfaces, open flames, high heat, and prolonged moisture.
