BASIC HERBAL CANDLE RECIPE

VOLUME'S
CRAFT
COLLECTION

Create your own
herbal candles with
soothing scents and
natural ingredients.

INGREDIENTS

- 1 lb soy wax
- 1 candle wick
- 15–20 drops lavender essential oil
- 1 tsp dried lavender buds
- Small glass jar

INSTRUCTIONS

1. Melt wax slowly using a double boiler.
2. Attach wick to the bottom of the jar.
3. Let wax cool slightly, then add lavender essential oil and stir well.
4. Pour wax into the jar.
5. Sprinkle a few lavender buds around the edge.
6. Hold wick upright while candle hardens.
7. Let cure for 24–48 hours before burning.
