Pine Forest Lantern

A cozy woodland lantern that smells fresh and earthy.

SUPPLIES:

- Large mason jar
- Small pine sprigs
- Cedar tips
- Rosemary stems
- Twine
- Faux snow or Epsom salt
- LED candle

INSTRUCTIONS:

Place a layer of faux snow or Epsom salt in the bottom of the jar. Arrange pine, cedar, and rosemary around the inside edges. Secure stems lightly with twine if needed. Place the LED candle in the center. Wrap extra twine around the jar neck. Add pinecones or cinnamon sticks for decoration.

Best For

Winter décor • Christmas centerpieces • Cabin or farmhouse themes
