

Herbal Decoupage Glass Jar

A simple decorative project using pressed herbs or flowers and Mod Podge to create a charming botanical jar.

Supplies

- Clean glass jar
- Pressed dried herbs or flowers
- Mod Podge
- Soft paintbrush
- Ribbon, lace, or twine

Directions

Brush a thin layer of Mod Podge onto the jar. Arrange dried herbs or flowers over the coated area. Carefully brush another layer over the decorations. Let dry completely and add ribbon or twine around the rim. Use as a decorative vase, pencil holder, or LED candle holder.
