EVERGREEN RESIN COASTER

Festive coasters filled with
pine, cedar, and sparkling
winter charm.

Handmade
with
Love &
Nature

SUPPLIES:

Epoxy resin kit

Small cedar sprigs

Pine needles ~
Tiny holly leaves

Red glitter
or dried cranberries

Round silicone molds

INSTRUCTIONS:

- 1 PREPARE:** Trim greenery into small, flat pieces.
- 2 POUR BASE LAYER:** Pour a thin resin base layer into molds.
- 3 ARRANGE GREENERY:** Arrange cedar and pine around the edges.
- 4 ADD ACCENTS:** Add small red accents (glitter or dried cranberries) near the center.
- 5 POUR RESIN:** Fill molds slowly with resin.
- 6 REMOVE BUBBLES:** Remove bubbles carefully with a heat tool or by blowing gently.
- 7 CURE:** Cure 24–48 hours before unmolding.

HOLIDAY TIP:

Tie finished coasters with
plaid ribbon for beautiful
Christmas gifts!
