*Bring the calm
and beauty of
lavender into
your home with
these dreamy
handmade
resin coasters!*

MATERIALS

- Clear epoxy resin
- Silicone coaster mold
- Dried pressed lavender
- Optional: purple mica powder or glitter
- Optional: gold flakes

INSTRUCTIONS

- 1 Mix resin according to kit directions.
- 2 Add a tiny pinch of purple mica for a soft haze (optional).
- 3 Pour a thin base layer into mold.
- 4 Place lavender sprigs in a circular or radial design.
- 5 Add a second resin layer to fully cover herbs.
- 6 Tap gently to release bubbles.
- 7 Cure 24–48 hours.
